

ATLANTA LIFE INSURANCE COMPANY

Your Strategic Reinsurance Partner: Built on Legacy. Driven by Impact.

Atlanta Life is a U.S. based reinsurer with a century-long legacy of **protecting lives and building communities**. We specialize in reinsurance solutions for group life, disability, and supplemental health benefits, delivered through **collaborative partnerships** with insurance carriers and brokers.

WHAT SETS US APART

Impactful Reinsurance

We don't just help you mitigate risk; we help you build a better benefits program. Through tailored reinsurance partnerships, we unlock cost control, workforce stability, and long-term sustainability.

Community-Driven Impact

Our legacy is rooted in service. We invest in financial literacy, educational initiatives, and community uplift, ensuring your partnership with us delivers far beyond the balance sheet.

Health & Productivity

We offer a comprehensive approach that links employee health, engagement, and organizational performance. Our solutions include custom program design, data-driven consultation, and scalable support across leave, disability, and wellness. The result is improved workforce productivity, better mental health outcomes, and meaningful cost savings through reduced absence.

Strategic Partnership Model

We work together with carriers, brokers, and employers to offer flexible solutions designed around real business goals—backed by transparency, trust, and results.

THOUGHT LEADERSHIP & EDUCATION

We go beyond service by **equipping our partners** with the knowledge to lead. Through **continuing education, custom workshops, and insights on emerging trends** in workforce health and benefit design, we help brokers, carriers, and employers to become smarter, more **strategic consultants** for their clients.

WHY IT MATTERS

In today's landscape, employers and carriers need more than just coverage—they **need strategic partners** who understand people, productivity, and purpose. Atlanta Life **delivers measurable impact** through data, compassion, and community investment—because building a legacy means **doing business that matters**.
